(If your child comes to both morning and afternoon programs, please come to either open house, or both!)

Parent Orientation- Our staff wishes to meet with parents to share our philosophy, plans, and expectations. To do this we would like **at least one parent** or family representative to join us for a parent orientation meeting.

There will be ONE meeting on Thursday night, September 7th, 2015. (at 7:00 p.m.) This meeting will take place at the Sisters of Notre Dames building at 30 Jeffrey's Neck Road (the next driveway) in the auditorium. Take a right at the Statue of St Julie and bear right- go all the way around the back of building. Parking will be marked with balloons. One parent must attend this meeting, it will make the year more successful for all!

ALL YOUR CHILD'S PAPERWORK MUST BE FILLED OUT BY THIS TIME and received by Kate so it can be properly filed. (We are planning on reviewing files over the summer so the sooner they are returned the better!)

WE MUST HAVE a complete, current MA health form for your child to START school. This is our licensing year so we HAVE TO BE CURRENT with this! No one can start school without an up to date health form!

These are good for one year from date of physical, so during the school year, when your child has a physical, we will need a new form!
