Week 1: July 9 - 12 , 9 a.m. to 1 p.m.

Before Ipswich was Ipswich

(The Agawam)

What was local life like on this very property for the Agawam people? What did they eat? What did they wear? What was their work? What did they play? What did their homes look like?

During this week experience a taste of life in Ipswich over 500 years ago.

Cost: \$185

Week 2: July 16 -19, 9 a.m. to 1 p.m.

17th Century

How did life change when the English arrived here - to what they called "New England?" What foods did they bring with them? What were their homes like? How did they learn to live locally in Agawam, later to be called Ipswich?

During this week we will imagine ourselves living on this property 300 years ago!

Cost: \$185

Week 3: July 23 - 26, 9 a.m. to 1 p.m.

21st Century

Fast forward to NOW! What can we learn from our ancestors? Can we live locally, preserve this beautiful earth and have a happy, fulfilled life in this technological age? The sky is the limit this week as we explore ways to **"Simply Keep It Local"** in the here and now. **Cost: \$185**
